

## CASE STUDY

Bentleigh Group are proud to have partnered with Puma Energy for the last 3.5 years in managing the rollout of their branding across more than 150 sites to date.

States we have covered are QLD, NSW, VIC, WA, SA and we now supply and install Puma signage in Papua New Guinea.

We have manufactured new signage as well as retrofitting existing signage.

## SIGNAGE PACKAGE

The type of the signage we manufacture for Puma ranges from large pylons with LED display boards, fascia signage and under canopy signage.
